

HELLO!

Welcome to Joseph Kerr Middle School!

We have changed our enrollment procedures to follow social distancing guidelines.

Our office is closed to the public except by appointment.

Students enrolling now will be participating in online learning for the remainder of the 2019-2020 year.

The EGUSD enrollment packet is available on our district website at EGUSD.net. If you are unable to access the website or print out the forms, please call us at (916) 892-2962 and/or email Liz Diaz, Data Processor at esdiaz@egusd.net to make an appointment to pick up a packet.

When you have filled out an enrollment packet for each child you are enrolling, and have the required documents listed in the packet, please contact us at the number above to make an appointment to bring everything in. If you need assistance filling out the forms or have questions about the documents, please call us at the number above.

We sincerely apologize for any inconvenience and thank you for your patience and understanding as we strive to keep everyone safe and healthy while providing the best customer service possible.

We look forward to talking with you and having your child join our school!
