

ELK GROVE UNIFIED SCHOOL DISTRICT
JOSEPH KERR MIDDLE SCHOOL
Track and Field Permission Slip
Practice Starts March 12, 2018

I, _____, give my son o/daughter _____ (Parent)
(Student)

Student ID Number _____

Permission to participate in the Joseph Kerr Middle School Track & Field program during the 2018 season. Participation in this program offers interscholastic competition for or students. This is not a recreational or intramural program. Because it is an inter-school program, students are required to attend ALL practices during a given week in order to participate in that week's meet. We practice Monday through Thursday 3:15 – 5:00pm with most meets on Thursdays.

We hope that Fridays off, will accommodate those occasional Doctors and Dental appointments. We also hope that our parents will support us by attending meets as a spectator and possibly helping out from time to time. We are looking forward to working with you and your child over the coming months. We will supply you with a schedule after practice begins.

The following information is a guideline for the Kerr Track & Field.

PHILOSOPHY

The foundation of the Kerr Track & Field Team consists of introducing Track & Field as a unique and enjoyable form of athletics that involve every type of person. At Kerr the emphasis is on teamwork, effort, and physical improvement. In order to coach an athlete to excel the practice and meet environment reflects a serious, organized, yet enjoyable and supportive atmosphere. Athletes, at this level, are encouraged to try a wide range of events. Some of the characteristics that the athlete should strive for are effort, responsibility, teamwork and modesty. Academic work is of utmost importance and student athletes must be academically responsible.

ACADEMIC PERFORMANCE

All students desiring to be a team member will need to meet the requirement of a 2.0 GPA.

ATTENDANCE

1. Athletes are expected to attend every practice and meet.
2. If an athlete misses a practice they will not complete in that week's meet.
