<p><u>CyberPatriot Club</u> CyberPatriot is the Air Force Association's National Youth Cyber Education Program, created to motivate students toward careers in cybersecurity and other science, technology, engineering, and mathematics (STEM) disciplines. At the center of CyberPatriot is the National Youth Cyber Defense Competition. The competition puts teams of high school and middle school students in the position of newly hired IT professionals tasked with managing the network of a small company. In the rounds of competition, teams are given a set of virtual images that represent operating systems and are tasked with finding cybersecurity vulnerabilities within the images and hardening the system while maintaining critical services in a six hour period. Teams compete for the top placement within their state and region, and the top teams in the nation earn all-expenses paid trips to Baltimore, MD for the National Finals Competition where they can earn national recognition and scholarship money.</p>	<p>Rm. 70</p>	<p>Deml</p>	<p>3:15-4:15 pm Weekly Meetings</p> <p>September 17, 2019 October 1, 8 & 22, 2019 November 5, 12 & 26, 2019 December 3 & 17, 2019 January 14 & 21, 2020 February 4 & 18, 2020 March 24, 2020 April 21, 2020 May 5, 2020 May 19, 2020 End of the Year Celebration</p> <p>9:00 am-3:00 pm Competitions</p> <p>October 26, 2019 November 16, 2019 December 7, 2019 January 25, 2020</p>
